Why attend

Community investment creates social value and strengthens an organisation's licence to operate. This course covers designing community investment strategies, needs assessment, selecting partners, programme design, employee volunteering, measuring social impact and communicating community investment credibly.

Poorly targeted giving wastes money and goodwill. You will learn to design programmes with real, measurable impact.

Professional Problems This Course Is Designed to Solve

• Difficulty translating subject knowledge into practical workplace decisions.
• Inconsistent approaches to the activities covered in the course outline.
• Lack of a structured plan for applying and reviewing new skills.

Course methodology

Needs assessment exercises, programme design workshops, impact measurement practice and case studies.

Course objectives

By the end of this course, participants will be able to:
• Develop a community investment strategy
• Assess community needs
• Select and manage partners
• Design effective programmes
• Run employee volunteering
• Measure and communicate social impact
