Why attend

Legal risks arise from contracts, regulation, disputes, employment and intellectual property. This course helps in-house lawyers and managers manage legal risk systematically: legal risk identification, contract risk management, litigation management, regulatory change monitoring, legal spend control and reporting legal risk to leadership.

Many legal problems can be prevented with early, structured attention. You will learn to manage legal risk like any other business risk.

Professional Problems This Course Is Designed to Solve

• Difficulty translating subject knowledge into practical workplace decisions.
• Inconsistent approaches to the activities covered in the course outline.
• Lack of a structured plan for applying and reviewing new skills.

Course methodology

Legal risk mapping, contract portfolio reviews, litigation case studies and reporting exercises.

Course objectives

By the end of this course, participants will be able to:
• Identify and categorise legal risks
• Manage contract risk across the portfolio
• Oversee litigation and disputes
• Monitor regulatory change
• Control external legal spend
• Report legal risk to management and boards

Target audience

This course is suitable for:
• In-house lawyers and legal managers
• Compliance officers
• Risk managers
• Company secretaries
• Senior managers

Course content

Target competencies

Participants will develop competencies in:
- Legal risk mapping
- Contract risk management
- Litigation oversight
- Regulatory monitoring
