Why attend

Tabletop exercises let teams rehearse crisis and continuity plans safely. This course teaches how to design and facilitate effective tabletop exercises: setting objectives, writing realistic scenarios and injects, choosing participants, facilitation techniques, evaluation, debriefs and turning lessons into improvements.

Well-run exercises reveal gaps before real incidents do. You will learn to design and lead exercises that teams find valuable.

Professional Problems This Course Is Designed to Solve

• Difficulty translating subject knowledge into practical workplace decisions.
• Inconsistent approaches to the activities covered in the course outline.
• Lack of a structured plan for applying and reviewing new skills.

Course methodology

Scenario design workshops, facilitation practice, evaluation exercises and peer feedback.

Course objectives

By the end of this course, participants will be able to:
• Set objectives for tabletop exercises
• Design realistic scenarios and injects
• Select and brief participants
• Facilitate discussions effectively
• Evaluate performance against objectives
• Run debriefs and track improvement actions

Target audience

This course is suitable for:
• Business continuity and crisis managers
• Emergency planners
• Risk managers
• Trainers and facilitators
• HSE professionals

Course content
